## GET ACTIVE

[www.cleanocean.org](http://www.cleanocean.org)

## GIVE US JUST \$10 ... AND ONE DAY A YEAR

Clean Ocean Foundation has created a NEW type of membership to help us evolve our campaigning.

We're looking to recruit a more active crew – **Groundswell Defenders** – willing to donate time or some leg work over the coming year.

**Choose your volunteer tasks, or we'll choose one for you:**

- Education projects
- Water sampling or other empirical data gathering (plastics surveying, cigarette butts campaign)
- Hit the beach and promote the Clean Ocean Foundation this summer.
- Involve other peers, plug them in to Clean Ocean campaigns and info

**Email [frontline@cleanocean.org](mailto:frontline@cleanocean.org) and we'll send you the Groundswell Defender sign-up kit with more info and a membership form.**
